Please Intha Puthagatha Vaangatheenga – Katrathum Petrathum
A highly positive, motivating book which makes us ponder over many things and direct our thoughts in a better way. The book is a sweet and short read with just 100 odd pages and can be finished quickly.

Why don't we feel the moment when we fall in love but always remember when it ends? Akash is young, single and conservative with a preference for girls with brains than in miniskirts. One day, he runs into free-spirited Aleesha at a local discotheque. A mass-media student, Aleesha is a pampered brat, the only child of her parents who dote on her. This brief meeting leads them to exchange their BlackBerry PINs and they begin chatting regularly. As BlackBerry plays cupid, they fall in love. When they hit a rough patch in their life, Aditya, Akash's close pal, guides them through it. But just when they are about to take their relationship to the next level, a sudden misfortune strikes. Can Aditya bring Akash's derailed life back on track? It Started with a Friend Request is a true story which will make you believe in love like never before.

Beginning with Timur, Sultan Ghazni who invaded India seventeen times at the head of a large army, plundering the country of its great wealth, to the last Mughal Emperor Bahadur Shah, banished from the country by the British - details and descriptions of every incident and each king astonish and exhilarate us. The approach is direct, simple and unambiguous. From Timur to Bahadur Shah it is one engaging account. The book should find a place in every household, as an authentic account of ourselves. A flawless portrait. -THE HINDU Madhan while explaining historical events uses modern similes... In spite of being a cartoonist in his previous avatar Madhan did not caricature the Moghul Emperors and their subjects. I am so pleased he did not sit on judgement as a south Indian non-Muslim writer. -KAMAL HAASAN

"When we believe the Bible as it is, we will see the power of God move in our lives and in our community as it did centuries ago in Bible times." -Mel Tari Translated into dozens of languages, with millions of copies sold, Like a Mighty Wind remains a beloved classic from global evangelist Mel Tari. Recounting the incredible story of revival on the island of Timor during 1965 in the midst of political turmoil, the book is an amazing testament to the power of faith and the reality of God's power to work miracles in modern times. The Spirit of God that swept across the island "like a mighty wind" continues today throughout Indonesia although persecution of Christians is all too common. The story of God's powerful revival in this region remains a testament to the truth of God's Word, and serves as a reminder to all believers that the Spirit of God manifests in our world now as it did in the earliest days of the Church.

This is the journey of a boy born in a remote village, who went from riding a bullock cart to owning an airline, a journey of an entrepreneur who built India's first and largest low-cost airline Filled with rich anecdotes of everyday struggles and joys, this is the awe-inspiring story of Captain G.R. Gopinath. This autobiography narrates in gritty detail Captain Gopinath's incredible journey: quitting the Indian Army in the late 1970s with a princely gratuity of Rs 6500, going back to his farm land inundated by the river, converting a piece of barren land to set up a farm for ecologically sustainable silkworm rearing, winning the Rolex award for it, his loves and passions, his extraordinary determination to launch an airline (which touched a crazy market cap of US$ 1.1 billion in less than four years), in the process rewriting aviation history.

"Delightful...As soul-warming as curling up with a cup of tea" Entertainment Weekly "Very, very funny... a balm on my troubled soul" Marie Claire

Who really is A.R. Rahman? We know the music. But do we know the man? For the first time, our national pride--winner of National Film Awards, Academy Awards, Grammys and hearts--opens up about his philosophies: hope, perseverance, positivity and love. From his early days as a composer of advertisement jingles to his first big break into feature films, from his keenness to integrate new technology with a good old-fashioned music score to the foundation of his music school, from his resounding entry on to the international stage to his directorial debut, from his philanthropy to his inner life, Notes of a Dream captures the nostalgia, the drama and the extraordinary success story of A.R. Rahman with all the rhythm and melody, the ups and downs, of a terrific soundtrack by the man himself. Featuring intimate interviews with the soft-spoken virtuoso, as well as insights and anecdotes from key people from his life, this balanced, uplifting and affectionate book is the definitive biography of A.R. Rahman: the man behind the music--and the music that made the man.

101 inspirational lessons on how to achieve true happiness, find fulfilment and live peacefully and meaningfully every day, from Robin Sharma, leading life coach and author of the multi-million-copy bestseller The Monk Who Sold His Ferrari. How can one achieve true happiness? Is it possible to live with joy, passion and purpose every day? Its lessons include:- How to discover your calling- How to see your troubles as blessings- How to enjoy the path - not just the rewards- How to live fully, so you can die happyThis is a truly remarkable book that you will treasure for a lifetime.

Since its publication twenty-five years ago, Free Soil, Free Labor, Free Men has been recognized as a classic, an indispensable contribution to our understanding of the causes of the American Civil War. A key work in establishing political ideology as a major concern of modern American historians, it remains the only full-scale evaluation of the ideas of the early Republican party. Now with a new introduction, Eric Foner puts his argument into the context of contemporary scholarship, reassessing the concept of free labor in the light of the last twenty-five years of writing on such issues as work, gender, economic change, and political thought. A significant reevaluation of the causes of the Civil War, Foner's study looks beyond the North's opposition to slavery and its emphasis upon preserving the Union to determine the broader grounds of its willingness to undertake a war against the South in 1861. Its search is for those social concepts the North accepted as vital to its way of life, finding these concepts most clearly expressed in the ideology of the growing Republican party in the decade before the war's start. Through a careful analysis of the attitudes of leading factions in the party's formation (northern Whigs, former Democrats, and political abolitionists) Foner is able to show what each contributed to Republican ideology. He also shows how northern ideas of human rights--in particular a man's right to work where and how he wanted, and to accumulate property in his own name--and the goals of American society were implicit in that ideology. This was the ideology that permeated the North in the period directly before the Civil War, led to the election of Abraham Lincoln, and led, almost immediately, to the Civil War itself. At the heart of the controversy over the extension of slavery, he argues, is the issue of whether the northern or southern form of society would take root in the West, whose development would determine the nation's destiny. In his new introductory essay, Foner presents a greatly altered view of the subject. Only entrepreneurs and farmers were actually "free men" in the sense used in the ideology of the period. Actually, by the time the Civil War was initiated, half the workers in the North were wage-earners, not independent workers. And this did not account for women and blacks, who had little freedom in choosing what work they did. He goes onto show that even after the Civil War these guarantees for "free soil, free labor, free men" did not really apply for most Americans, and especially not for blacks. Demonstrating the profoundly successful fusion of value and interest within Republican ideology prior to the Civil War, Free Soil, Free Labor, Free Men remains a classic of modern American historical writing. Eloquent and influential, it shows how this ideology provided the moral consensus which allowed the North, for the first time in history, to mobilize an entire society in modern warfare.
