literature, Jonathan Senchyne presents archival evidence of the effects of this very visible process on American writers, such as Anne Bradstreet, Herman Melville, Lydia Sigourney, William Wells Brown, and other lesser-known figures. *The Intimacy of Paper in Early and Nineteenth-Century American Literature* reveals that book history and literary studies are mutually constitutive and proposes a new literary periodization based on materiality and paper production. In unpacking this history and connecting it to cultural and literary representations, Senchyne also explores how the textuality of

The sale of authors' papers to archives has become big news, with collections from James Baldwin and Arthur Miller fetching record-breaking sums in recent years. Amy Hildreth Chen offers the history of how this multimillion dollar business developed from the mid-twentieth century onward and considers what impact authors, literary agents, curators, archivists, and others have had on this burgeoning economy. The market

for contemporary authors' archives began when research libraries needed to cheaply provide primary sources for the swelling number of students and faculty following World War II. Demand soon grew, and while writers and their families found new opportunities to make money, so too did book dealers and literary agents with the foresight to pivot their businesses to serve living authors. Public interest surrounding celebrity writers had exploded by the late twentieth century, and as *Placing Papers* illustrates, even the best funded institutions were forced to contend with the facts that acquiring contemporary

This nine-chapter book narrates a writing-centered approach to the teaching of literature and literary research. As the title suggests, the book also embraces a thematic approach to reading and writing about twentieth-century American literature, focusing on the grounds for hope in an age of despair. The first five chapters explore in detail the teaching of the twentieth-century American literature course at the University of Pristina in Kosovo, where the author

served as Fulbright Professor of American Literature in the spring semester of 2012. Throughout, these chapters narrate students' in-class interactions to illustrate writing-to-learn strategies for teaching the literature. Chapter six then follows the same cohort of 22 students as they learned to ground their literary research in their own questions about American and Balkans narratives of oppression and liberty, of despair and hope. The last three chapters document the responses of students and their professors to this American theme of liberty and hope as seen through the Balkans lenses

of ethnic violence and emerging republican government. Specifically, chapter seven focuses on students' participation in a blog featuring Balkans literature that explores the same issues of liberty and justice examined in the American literature they have read. Chapter eight then celebrates student writing, the fruit of the writing-to-learn strategies narrated in earlier chapters. Finally, chapter nine narrates professors' and students' responses, gathered through surveys and interviewing, to questions about their country's violent past and the value of literary study in preparing citizens to shape

The abolitionist author presents profound insight on the meaning of race and freedom in America in this memoir of slavery, escape, and reinvention. One of the most important figures in the American civil rights movement, Frederick Douglass was a major influence on social and political thought in the nineteenth century. His autobiographical writings were a powerful vehicle for his philosophy of human equality. Written ten years after his legal emancipation in 1846, *My Bondage and My Freedom* recounts Douglass's

journey—intellectual, spiritual, and geographical—from life as a slave under various masters, and his many plots and attempts at escape, to his liberation, time as a fugitive, and new life as a prominent abolitionist. Expanding on his earlier work *Narrative of the Life of Frederick Douglass*, this later memoir illuminates Douglass's maturation as a writer and thinker.

Winner of the 1921 Pulitzer Prize, *The Age of Innocence* is an elegant, masterful portrait of desire and betrayal in old New York—now with a new introduction from acclaimed author Colm Tóibín for the novel's centennial. With vivid power, Wharton evokes a time of gaslit streets, formal dances held in the ballrooms of stately brownstones, and society people "who dreaded scandal more than disease." This is Newland Archer's world as he prepares to marry the docile May Welland. Then, suddenly, the mysterious, intensely nonconformist
