Animal Farm - George Orwell - Goodreads

"The creatures outside looked from pig to man, and from man to pig, and from pig to man again: but already it was impossible to say which was which..." Halas & Bachelor studio's classic and controversial 1954 animation of Animal Farm, George Orwell's chilling fable of idealism betrayed, was the first ever British animated feature film. This landmark illustrated edition of Orwell's novel was first published alongside it, and features the original line drawings by the film's animators, Joy Batchelor and John Halas.

A beautiful graphic adaptation of George Orwell's timeless and timely allegorical novel. "All animals are equal, but some animals are more equal than others." In 1945, George Orwell, called "the conscience of his generation," created an enduring, devastating story of new tyranny replacing old, and power corrupting even the noblest of causes. Today it is all too clear that Orwell's masterpiece is still fiercely relevant wherever cults of personality thrive, truths are twisted by those in power, and freedom is under attack. Now, in this fully authorized edition, the artist Odyr translates the world and message of Animal Farm into a gorgeously imagined graphic novel. Old Major, Napoleon, Squealer, Snowball, Boxer, and all the animals of Animal Farm come to life in this newly envisaged classic. From his individual brushstrokes to the freedom of his page design, Odyr's adaptation seamlessly moves between satire and fable and will appeal to all ages, just as Orwell intended.

75th Anniversary Edition—Includes a New Introduction by Téa Obreht George Orwell's timeless and timely allegorical novel—a scathing satire on a downtrodden society's blind march towards totalitarianism. SOON TO BE A NETFLIX FILM! "All animals are equal, but some animals are more equal than others." A farm is taken over by its overworked, mistreated animals. With flaming idealism and stirring slogans, they set out to create a paradise of progress, justice, and equality. Thus the stage is set for one of the most telling satiric fables ever penned—a razor-edged fairy tale for grown-ups that records the evolution from revolution against tyranny to a totalitarianism just as terrible. When Animal Farm was first published, Stalinist Russia was seen as its target. Today it is devastatingly clear that wherever and whenever freedom is attacked, under whatever banner, the cutting clarity and savage comedy of George Orwell's masterpiece have a meaning and message still ferociously fresh.

Film and cinema.

The most famous by far of all twentieth-century political allegories, Animal Farm is the account of a group of barnyard animals who revolt against their vicious human master, only to submit to a tyranny erected by their own kind, can fairly be said to have become a universal drama. Orwell is one of the very few modern satirists comparable to Jonathan Swift in power, artistry, and moral authority; in animal farm his spare prose and the logic of his dark comedy brilliantly highlight his stark message. Taking as his starting point the betrayed promise of the Russian Revolution, Orwell lays out a vision that, in its bitter wisdom, gives us the clearest understanding we possess of the possible consequences of our social and political acts. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

When the downtrodden animals of Manor Farm overthrow their master Mr Jones and take over the farm themselves, they imagine it is the beginning of a life of freedom and equality.

George Orwell's celebrated novella, Animal Farm, is a biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin's brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy. Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny.Orwell has himself said that it was the first book in which he had tried, with full consciousness of what he was doing, 'to fuse political purpose and artistic purpose into one whole.' The book was first published in England in 1945, and has since then remained a favourite with readers all over the world, and has consistently been included in all prestigious bestseller lists for the past many years.

Deepen appreciation and understanding of Orwell's classic novel with engaging images that reinforce the concepts of literature and aid preparation for the CSEC English B examination. - Build understanding of the novel through images, text and Directed Reading Thinking Activities (DRTA) that work together and are ideal for use across all secondary grades. - Improve and practise essay-writing skills using CSEC-style essay questions, guidance on essay writing skills and an annotated sample essay. - Check understanding of the social concerns and character development of the novel by answering the guided reading questions. - Build literary knowledge with the section on stylistics which explores the effectiveness of the writer's craft. - Deepen literary knowledge with background notes and explanations.

Animal Farm is a satirical allegorical novella by George Orwell, first published in England on 17 August 1945. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon. ^{?According to Orwell, the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism, an attitude that was critically shaped by his experiences during the May Days conflicts between the POUM and Stalinist forces during the Spanish Civil War. The Soviet Union had become a totalitarian autocracy built upon a cult of personality while engaging in the practice of mass incarcerations and secret summary trials and executions. In a letter to Yvonne Davet, Orwell described Animal Farm as a satirical tale against Stalin ("un conte satirique contre Staline"), and in his essay "Why I Write" (1946), wrote that Animal Farm was the first book in which he tried, with full consciousness of what he was doing, "to fuse political purpose and artistic purpose into one whole". The original title was Animal Farm: A Fairy Story, but U.S. publishers dropped the subtitle when it was published in 1946, and only one of the translations during Orwell's lifetime kept it. Other titular variations include subtitles like "A Satire" and "A Contemporary Satire". Orwell suggested the title *Union des républiques socialistes animales* for the French translation, which abbreviates to URSA, the Latin word for "bear", a symbol of Russia. It also played on the French name of the Soviet Union, *Union des républiques socialistes soviétiques*.}

Animal Farm - Sugarcandy Mountain A long time ago, there was a very special farm in England called Manor Farm. This farm was home to a lot of amazing animals that helped care for the farm, but the farm animals were not very happy. The farmer, Mr. Jones, did not treat the animals very nicely. The animals were overworked and underfed. Everything the animals made was being used by the humans and nothing was left for the animals. Welcome to the children's adaptation of Animal Farm Series! This series is designed to preserve the great classical stories that the older generations grew up with by bringing it to children of this generation. With the advent of technology, the young generation reads mainly for education and not as a hobby or just for fun. Classical literature is slowly fading with each generation and can only be kept alive if we bring these stories to children from an early age. As as Wolfgang Von Goethe stated: "The decline of literature indicates the decline of a nation."
