and her style is often described as refreshing and conversational.

If you're a cash-strapped 20- or 30-something, it's time to stop scraping by and take control of your money-- and your life. Lowry shows step-by-step how to go from flat-broke to financial badass. And she doesn't just cover boring stuff like credit card debt, investing, and budgeting. You'll learn to understand your relationship with moolah, manage your student loans, and get "financially naked" with your partner and find out his or her debt number. and much more. This is the essential roadmap every financially clueless millennial needs to become a money master. -- adapted from publisher info

Millennials want to learn how to start investing. The problem is that most have no idea where to begin. There's a significant lack of information out there catering to the concerns of new millennial investors, such as- Should I invest while paying down student loans? How do I invest in a socially responsible way? What about robo-advisors and apps-are any of them any good? Is Reddit a good resource for investment advice? In this second book in the Broke Millennial series, Erin Lowry delivers all of the investment basics in one easy-to-digest package. Tackling topics ranging from common terminology to retirement savings and even how to actually buy a stock, this hands-on guide will help any investment newbie become a confident player in the market on their way to building wealth.

A comprehensive guide to talking about money in every aspect of your life, including at work, with friends and family, and in relationships, from the author of the Broke Millennial series. Let's face it--talking about money is always awkward. In this user-friendly and approachable guide, finance writer Erin Lowry helps take the stress out of these tricky conversations. With scripts, tips, and troubleshooting advice, she takes you through every possible money talk scenario, including: □ how to tell your friends you can't afford the same lifestyle they can □ how to ask your parents if they can afford retirement and if they'll need your support as they age □ how to talk to your coworkers about your salary and negotiate with your boss □ how to broach the subject of a prenap with your fiancé Lowry arms you with all of the financial knowledge you'll need in order to get the most out of each interaction, whether that's with your friends, your spouse, your employer, or your mom. It's time to demystify our money and hash out these tough topics with the important people in our lives, and this helpful book will make it all much easier.

Learn how to live the life you want, not just the life you can afford! Managing your money is like going to the dentist or standing in line at the DMV. Nobody wants to do it, but at some point, it's inevitable: you need to clean your teeth, renew your license, and manage your personal finances like a grown-up. Whether you're struggling to pay off student loan debt, ready to stop living paycheck to paycheck, or have finally accepted that your Beanie Baby collection will never pay off, tackling your finances may seem immensely intimidating. But it doesn't have to be. By approaching personal finance as a game--something that requires you to set clear goals, as well as face challenges you must "beat"--personal finance can not only be easy to

File Type PDF Broke Millennial Stop Scraping By And Get Your Financial Life Together

understand, but it can also be fun! In *Get Money*, personal finance expert Kristin Wong shows you the exact steps to getting more money in your pocket without letting it rule your life. Through a series of challenges designed to boost your personal finance I.Q., interviews with other leading financial experts, and exercises tailored to help you achieve even your biggest goals, you'll learn valuable skills such as: Building a budget that (gasp) actually works Supercharging a debt payoff plan How to strategically hack your credit score Negotiating like a shark (or at least a piranha) Side-hustling to speed up your money goals Starting a lazy investment portfolio...and many more! Simply put, with this gamified guide to personal finance, you'll no longer stress about understanding how your finances work--you'll finally "get" money.

Take control of your personal finances with this concise, timely and indispensable guide, from acclaimed money expert Laura Whateley.

Over half of Millennials are freaked out by their finances. Luckily, with *Millennial Money Makeover* readers now have a guide to help them navigate the financial issues of their time. Certified public accountant Conor Richardson offers a refreshingly helpful and elegantly designed program to tackle essential money matters. *Millennial Money Makeover* takes readers on a six-step journey to transform their financial life and set them up for lifelong success. From learning how to pay off student loans insanely fast to optimizing a financial ecosystem, *Millennial Money Makeover* teaches readers how to reclaim their financial future and jump-start the path to the rich life. Built for readers in their twenties and thirties, this book gives Millennials a proven playbook. Learn new hacks like how using robo-advisors can

File Type PDF Broke Millennial Stop Scraping By And Get Your Financial Life Together

increase your returns and how leveraging delayed gratification when buying your first home can save you thousands. Whether you are planning a passion budget, figuring out how to finally purchase that big-ticket item, or thinking about taking your first dip into investing, Conor will show you the way.

The bestselling book that the New York Times hailed as "a highly readable and substantial guide to the grown-up realms of money and business," *Get a Financial Life* is a must-read for anyone in their twenties and thirties (or beyond) who wants to understand the basics of personal finance. If you've been meaning to get your finances in shape but have no idea where to start, this is your playbook. *Get a Financial Life* busts open the system, teaching tricks for becoming master of your own money universe. No matter what's happening in the economy, all the guidance you need is right here. You'll learn how to:

- Pay off your credit cards and student loans and live debt free
- Start saving, even if you're living paycheck to paycheck
- Take advantage of the latest tax rules and save a bundle
- Find smart investments while still supporting socially responsible companies
- Come up with a down payment and buy a home, even in a tough economy
- Afford grad school
- Protect yourself from identity theft

And you'll discover why a 401(k) is your best friend—in boom times and even if the market is tanking. From tracking your spending to finding deals on insurance to navigating the new world of homebuying, this easy-to-understand, comprehensive guide provides an up-to-date road map of the world of personal finance. Whether you earn \$30,000 or \$300,000, are single or married, are drowning in debt or just looking for ways to keep your savings secure in uncertain times, you'll find the answers you need in *Get a Financial Life*. "A daring book." A life's worth of

File Type PDF Broke Millennial Stop Scraping By And Get Your Financial Life Together

smart financial advice (Newsweek).

The world today comes with a list of challenges. Figuring out how to get your feet planted and get your finances on track should be easier, but we're not always prepared with the best information despite the best education. Enter *The Millennial Money Fix*, a candid guide to understand how to handle your money with the obstacles of today. This book will get you through each step including: Identifying honest and realistic goals. Selecting and paying for a college or graduate program. Mastering cash flow to jumpstart your life. Navigating the job landscape to do what you love. Planning for marriage, babies, and all that gushy stuff. Redefining retirement as your ability to do what you want.

Get your finances in order with smart budgeting and money mindfulness *You Only Live Once* is the guide to achieving your best life through smart money moves. Before you even begin making a budget, you need to think about why. Where do you see yourself financially in ten years? Five years? This time next year? What does money do for you? Once you know your destination, you can begin charting your course. Step-by-step guidance walks you through the budgeting process, and shows you how to plan your financial path to point toward your goals. You'll learn how to prioritize spending, how to save efficiently, and how to take advantage of simple tools you didn't know you had. Next comes the most important part: taking control. You need to really look at how you perceive and use money day-to-day. Chances are, changing a few habits could give you some breathing room and help you reach your goals sooner. You work hard for your money, yet there never seems to be enough. You don't need to live like a

File Type PDF Broke Millennial Stop Scraping By And Get Your Financial Life Together

pauper, but you need to be truly aware of just where your money is going, and why. Financial awareness is the key to a financially secure future, and this book unpacks it all to help you get where you want to go. Accept past decisions and articulate your financial goals Align your lifestyle with your budget Explore your relationship with money Re-evaluate financial habits and behaviors You know you need a budget, but you never seem to get around to doing it. Or maybe you did, but you can never seem to stick to it. Smart planning is a major factor in financial security, and it involves just as much introspection as math. You Only Live Once is more than a budgeting guide—it's a guide to revamping your financial behaviors to achieve the life you want.

When were you last happy with your finances? Create lasting happiness with your financial situation — not by creating a blistering budget but by living the life you love! Ashley Feinstein Gerstley was working in financial services when she came to the shocking realization that even she was stressed about her personal finances. How could that be, with all her education and experience in dealing with money? Ashley quickly realized that her stress didn't only arise from a lack of knowledge but the way that we as a society treat and talk (or rather don't talk) about our money, and she created a system to turn the entire practice on its head! Through Ashley's system, in just 30 days you will have created a healthier, happier relationship with your money by: Eliminating all money stressors Finally knowing where your money is going Breaking those panic-inducing bad money habits Learning the basics of how and where to invest Making a plan that you can not only live with but enjoy Readers who have tried the 30-Day Money Cleanse have, on average, saved over \$950 through the course of the month! Are you ready to
