How Should Men Eat? | The Man Diet - Chad Howse

A Man ' s Diet. A man ' s diet has to be free from phytoestrogens. It has to be balanced, ideally getting 35% of calories from fats, 35% from carbs, and 30% from protein – if you need to cut fat, you ' ll eat more protein and then drop it down once you ' re under that 15% mark. The reality is that men need to eat like men.
