Break Free From Over-Functioning, Over-Delivering, People-Pleasing, and Ignoring Your Own Needs So You Can Finally Live the Life You Deserve!

Most of us were never taught how to effectively express our preferences, desires or deal-breakers. Instead, we hide our feelings behind passive-aggressive behavior, deny our own truths, or push our emotions down until we get depressed or so frustrated that we explode, potentially destroying hard-won trust and relationships. The most successful and satisfied people on the planet have one thing in common: the ability to create and communicate clear, healthy boundaries. This ability is, hands down, the biggest game changer when it comes to creating a healthy, happy, self-determined life. In *Boundary Boss*,

psychotherapist Terri Cole reveals a specific set of skills that can help you stop abandoning yourself for the sake of others (without guilt or drama) and get empowered to consciously take control of every aspect of your emotional, spiritual, physical, personal, and professional life. Since becoming a Boundary Boss is a process, Cole also offers actionable strategies, scripts, and techniques that can be used in the moment, whenever you need them. You will learn: How to recognize when your boundaries have been violated and what to do next How your unique "Boundary Blueprint" is unconsciously driving your boundary behaviors, and strategies to redesign it Powerful boundary scripts so in the moment you will know what to say How to manage "Boundary Destroyers" including emotional

MAT Practice Questions are the simplest way to prepare for the MAT test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our MAT Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice.

Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our MAT Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
