Entwined is the first sequel to Reset. Entwined: A dystopian fiction novel that draws you in and inspires you to Reset your life anew by author Ned Lips, even if you have experienced abuse as Sarah had. Is your past entwined with your present? Can you break free of negative relationships to trust new loves? Daffodil said, 'Love heals all. [Tom] loves you deeply. Love him as deeply, for you now know that you have it in you to do so.'" Sarah thought about this. Had she really released herself to totally and completely love Tom, or did she only accept his unquestioning love for her? She looked at Daffodil, as ethereal here as she was in real life. 'I'll try.'" Haunted by the last man Sarah was sure she'd loved, who'd brutally beaten her and has since invaded her mind to its core, can Sarah free herself to love Tom fully? Can she trust him? What if she loves him and then, like Robert, he turns on her? Is he her next Robert? He's done nothing but love and support her. But isn't Tom, and her feelings for him, a liability as she strives to protect and lead the Family in this strange world of beauty and terror? As Sarah wrestles with her personal doubts and fears, external threats, challenges, enemies, new friends and mystical powers abound as the Family moves forward in a Reset world. About the Author Ned Lips believes that it is never too late or too difficult to Reset Your Life. His mantra is simple, "Do what you know in your heart of hearts is right for YOU, every minute of every day, and you will find your path to joy." If you do this, you will find your passions, develop your own superpowers and find joy that will guide you through the rest of your life. You always know what is the right thing for you to do, but the most difficult step is doing what you know is right for you in the face of the "shoulds," the rules, expectations, paths, goals and dreams that others have for you or want you to follow. No one knows your soul, but you. No one knows your path, but you. Rather than writing boring self-help books, Ned writes stories that depict the process, the hurdles and the steps along the journey, hoping to inspire each of us to fight your battles toward finding your harmony and joy. Ned is the author of Reset, First Steps, the Reset Series prequel, and Entwined, the first sequel in the Reset Series. First Steps is Sarah's journey out of an abusive marriage. The first steps in Resetting Your Life are to climb your way out of the hole you find yourself in. When you get to the edge, you will know the way. "I felt Sarah's pain from every angle, as a woman, as a mother and as a family member, trying to balance her career. I couldn't put it down" Karen Tabrizi. In Reset, Sarah becomes a superheroine in a world ideally suited to her, one in which everything man-made has been removed from the face of the earth by a powerful living Storm. To find your joy, you will face storms and battles as those around you try to keep you from becoming one with your superpowers. "A riveting tale that draws you in . . . and never let's go! Told with beautiful world-building detail, [it's] the perfect choice for your book club." Cherie L. Postill, Author, Book Coach, Presenter In Entwined, Sarah takes her next steps, learning to release herself fully to her lover, her new friends and sisters, her Family and to the world of nature that surrounds them, while dealing with her long-time arch enemy. Ned is a life-long writer, who has many stories waiting for him to polish for publication. The

second sequel in the Reset series is in draft form. Freed, a story unrelated to Reset, will be published in early 2020 with many more to come.

How Believers Can Experience God's Presence Every Day It's easy to feel close to God while worshipping in church, raising our voices and our hearts with other believers as his presence permeates the atmosphere. Unfortunately, for many Christians, this is the only place they experience God's presence. But the Sunday morning experience shouldn't be the exception; it should be the norm. With wisdom and insights gained from years as a pastor and worship leader, John Belt has helped thousands of believers overcome seasons of spiritual dryness and encounter God's presence every day--and he can help you do the same. Full of inspiring stories and practical tools, this book outlines simple steps to experiencing God personally, reveals potential roadblocks, and gives you the keys to overcoming them. Here is the secret to experiencing God's presence and living victoriously and abundantly every single day.

Resetting shares the story of a personal grief journey and helps transform today ' s understanding of the human condition. Although grief and loss are universal human conditions around since the beginning of time, the idea of loss is still greatly feared, ignored, distained, undiscussed, and certainly not prepared for. It is no wonder people feel alone and isolated in their feelings and thoughts when loss comes to them. Longtime nurse, Susan Beth Hassmiller, who is no stranger to death, has experienced the journeys of suffering and death in her patients as well as her personal life in which she was completely blindsided by the physical, spiritual, and emotional toll. Resetting is written in a daily diary format in which Susan opens a very private window to the actual feelings and thoughts she experienced in the grief process. Resetting is raw and gripping as it illustrates a new level of understanding of the human condition. Susan helps those who have suffered loss gain a new perception and a greater sense of grief while learning lessons on how to help those suffering from grief—from words to say to tasks to take on.
