I film di Pirati dei Caraibi trasportano lo spettatore in scenari esotici e ricchi di fascino. Nonostante la saga con protagonista Jack Sparrow sia tutt'altro priva di inesattezze storiche, il suo impatto estetico rimane degno di nota. Il merito è anche delle location scelte per girare le varie pellicole. E se alcune delle località proposte nei film sono state ricostruite in set creati per ...

Pirates of the Caribbean is one of the most popular and beloved attractions in Disney theme park history, and can be found in each Magic Kingdom Park around the globe. Pirates of the Caribbean: From the Magic Kingdom to the Movies will illustrate how the scalawags and buccaneers made the voyage from sketches to reality, evolving from early story concepts to adaptations and changes as it moved into each of the parks around the four corners of the world, to the very latest ideas for show enhancement. The second part of the book takes a virtual tour through the attraction, using the original Disneyland version as the "home port" and then traveling through the differences and additions of the attraction at all the other theme parks. The third part of the book chronicles this classic theme park attraction's translation (back) into the motion picture that launched a franchise, Pirates of the Caribbean: The Curse of the Black Pearl, including an exclusive look at the earliest story concepts, shooting on location in the Caribbean and on Disney Studio soundstages, the birth of the cursed buccaneers inside a computer at ILM, the birth of teen idols in Orlando Bloom and Keira Knightley, and Johnny Depp's triumphant Academy Award nomination for Best Actor. Now a fourth section showcases the theme park attraction addition of Audio-Animatronics Jack Sparrow and Barbossa, and has many more, all new images from Pirates of the Caribbean; Dead Man's Chest.

The Black Pearl unfolds into a three-dimensional pop-up in this novelty title for kids 4-8. Press-out sheets supply the kids with their favorite characters from the films so they can re-live all their favorite scenes aboard the cursed ship. All the artwork will be done in an appealing, animated style kids will love.

The Art of Pirates of the Caribbean presents a definitive, exclusive look into the preparation and production of the successful movie trilogy. Overflowing with hundreds of full-color images, the book showcases concept drawings, set designs, and costume sketches, as well as the intricate props, set pieces, and even special effects that contribute so much to the Pirates mythology. Even the cover is visually arresting--imitating the leather-covered log of a ship's captain. Also included is special commentary from the unit publicist who was there to see it all. For Pirates fans everywhere, this treasure chest of art and design from the entire movie trilogy is a visual feast that promises hours of endless browsing pleasure.

"You believe in pirates, of course?" Walt Disney once asked on a Disneyland television program. . . . Disney Pirates: The Definitive Collector's Anthology delves behind-the-scenes across ninety years of Disney film, television, and park history. Pirates have captured people's imaginations for centuries, and Walt Disney believed in pirates as a source of great popular entertainment. Walt's very first all live-action feature film was based upon Robert Louis Stevenson's Treasure Island, and even before that, he selected J. M. Barrie's Peter Pan, in which pirates figure so prominently, as a key feature-length animated film for his studio. Years later, Pirates of the Caribbean opened in Disneyland just months after Walt had passed away, making it one of the last Disney theme park attractions in which he was personally involved. That attraction ultimately spawned similar versions at Disney parks around the world, one of the most successful series in motion picture history with the five Pirates of the Caribbean films, and a vast themed land at Shanghai Disneyland called Treasure Cove--celebrating the entirety of the Pirates of the Caribbean franchise.

Still on a mission to find the legendary Sword of Cortâes, the crew of the Barnacle becomes entranced by an ethereal song that pulls them away from their mission, leaving Captain Jack Sparrow to find the source behind the dark spell.

The #1 New York Times bestselling sequel to Sarah J. Maas's stunning and seductive A Court of Thorns and Roses.

Based on the upcoming Walt Disney Studios' film, Pirates of the Caribbean: Dead Men Tell No Tales, this middle grade novel features the untold backstory of the breakout heroine, Carina Smyth. Follow Carina's adventures, as well as her passion for astronomy, as she uncovers one of the biggest mysteries of the Caribbean.

An exhilarating tale of darkness, love, and redemption inspired by the classic fairy tale Little Red Riding Hood and the extravagant court of Versailles, from the author of Cruel Beauty. A doomed warrior and the king's most notorious bastard must join forces to defeat a dark evil in this gorgeously intricate fantasy--perfect for fans of An Ember in the Ashes and A Court of Thorns and Roses. When Rachelle was fifteen she was good-apprenticed to her aunt and in training to protect her village from dark magic. But she was also reckless--straying from the forest path in search of a way to free her world from the threat of eternal darkness. After an illicit meeting goes dreadfully wrong, Rachelle is forced to make a terrible choice that binds her to the very evil she had hoped to defeat. Three years later, Rachelle has given her life to serving the realm, fighting deadly creatures in a vain effort to atone. When the king orders her to guard his son Armand--the man she hates most--Rachelle forces Armand to help her hunt for the legendary sword that might save their world. Together, they navigate the opulent world of the courtly elite, where beauty and power reign and no one can be trusted. And as the two become unexpected allies, they discover far-reaching conspiracies, hidden magic . . . and a love that may be their undoing. Within a palace built on unbelievable wealth and dangerous secrets, can Rachelle discover the truth and stop the fall of endless night?

Meet Jack Sparrow and his young pirate friends as they embark on a thrilling journey on the high seas. Their goal: to locate and procure the legendary Sword of Cortés, which will grant them unimaginable power. Time is about to go all funny for Jack Sparrow and his faithful crew. Fitzwilliam P. Dalton III's beloved timepiece has always been valuable to him. But it has suddenly become valuable to a lot more people--including some of the Barnacle's crew's worst enemies! It turns out that Fitz's timepiece is not only a clock, but an unbelievably powerful tool that can stop time itself. It's up to Jack and his crew to find a way to keep the timepiece out of the hands of their dangerous adversaries. Spotlight is a division of AEDO and features licensed editions of popular fiction printed and bound specifically for the library market. Each Spotlight book is printed on the highest quality paper with reinforced library bindings.

According to conventional wisdom, Italy was not an influential participant in the nationalistic and imperialistic discourses that world's fairs produced in countries such as Great Britain, France, and the United States. In the late nineteenth and early twentieth centuries, however, Italy hosted numerous national and international exhibitions expounding notions of national identity, imperial expansion, technological progress, and capitalist growth. World's Fairs Italian-Style explores world's fairs in Italy at the turn of the twentieth century in comparison to their more famous counterparts in France, England, and the United States. Cristina Della Coletta demonstrates that, because of its social fragmentation and hybrid history, Italy was a site of both hegemony and subordination -- an aspiring imperial power whose colonization started from within. She focuses on two best-selling authors, Emilio Salgari and Guido Gozzano, and illustrates how these authors interpreted their age's 'exposition mentality.' Salgari and Gozzano's exposition narratives, Della Coletta argues, reveal Italy's uncertainties about own sense of national identity, and its belated commitment to Western imperialism. Of interest to students and scholars of literature, cultural history, and Italian, World's Fairs Italian-Style provides a fascinating glimpse into a hitherto unexplored area of study, and brings to light a cultural phenomenon that played a significant role in shaping Italy's national identity.
