There was no definition for weedmonkey given by Lisa V. Proulx the author and daughter. The story begins strangely with the marriage of Virgie's mother to an Indian man and their journey to start a new job in the country. This journey ends with the settling-in of Virgie's mother and father and then Virgie's birth. This part is startling!

Format: Kindle Edition Verified Purchase. I just finished the book last night. The true story is very unusual but I guess for the time period for which it is written about-- it is not so strange. The time period is prewar 30s and stops apparently in the mid to late 1990s. The story opens with a funeral and the "Weedmonkey" is about to be buried. There was no definition for weedmonkey
