What Are People For? Summary — eNotes.com

Verified Purchase Berry argues coherently that people are for work and maintaining the environment. A well argued ecological statement that everyone would benefit from reading. I sympathise with his Christian / Biblical roots, but the arguments stand up well on their own.

What Are People For?: Essays: Amazon.co.uk: Wendell Berry...

What are People For? by Wendell Berry. My rating: 5 of 5 stars. This was another of the books my husband got for me from the library for Christmas. I put it on my list about a year ago when I was reading back through the materials from Northwest Earth Institute ’ s Voluntary Simplicity discussion course, which my husband and I took more than a decade ago.

Ranging from America ’ s insatiable consumerism and household economies to literary subjects and America ’ s attitude toward waste, here Berry gracefully navigates from one topic to the next. He speaks candidly about the ills plaguing America and the growing gap between people and the land. Despite the somber nature of these essays, Berry ’ s voice and prose provide an underlying sense of faith and hope. He frames his reflections with poetic responsibility, standing up as a firm believer in the power of the human race not only to fix its past mistakes but to build a future that will provide a better life for all.

DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover *why* their work has endured. Written with passion, humour and wisdom, Reading Like a Writer will inspire readers to return to literature with a fresh eye and an eager heart — to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carr é for a lesson in how to advance plot through dialogue and to Flannery O ’ Connor for the cunning use of the telling detail; to be inspired by Emily Bront ë ’ s structural nuance and Charles Dickens ’ s deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

Many of us are stunned by the increasingly outrageous behavior of some people and the indifference those folks have about the effect their actions have upon the rest of us. Others of us are discouraged by our own stuckness regarding some issue. And then there are those caring individuals who try to help others only to watch them struggle and fail over and over. These helpers experience their compassion slowly turning to frustration and hopelessness. "What Is Wrong With People?!" avoids the two extremes that often result in greater pain and confusion; over simplistic answers to complex situations and making things unnecessarily complicated and overwhelming. In these pages you'll read about four conditions (not one, not forty) that people can find themselves in. Learn the remedies to each of these conditions and experience the freedom and empowerment that comes from embracing a complete solution. Learn the secret to what is wrong with people!

Jacke Lidwin presents "Unknown People", a book containing 126 black and white street portraits. This book highlights provoking and contemporary examples of the medium of portraiture. Jacke is trying to express his perspective on individuals, unknown people who he meets in the streets of Poland. His art illustrates Osho's words: "We are born alone, we live alone and we die alone. Aloneness is our very nature but we are not aware of it". He is inspired by street photography of Robert Frank, Henri Cartier-Bresson, Robert Doisneau.

At just twenty-two years of age, Briana Mills finds herself at a desperate crossroads.Once a promising student at the University of Oregon, she now finds herself alone on the streets of Portland with only the clothes on her back, memories of a happier time, and the stray dog that’s adopted her. And she’s got the drug that helps her forget.Briana’s mistakes haunt her, lashing her with severe consequence, forcing her to make a decision few would ever make. Still, in a final attempt to make her young life count for something, Briana begins writing it all down—everything—so that others walking the crumbling precipice of rebellion might leap to safety before it’s too late.She writes about Michael, the boy she loved and left behind when she went off to college. She writes about the violent activism and drug that derailed her life. She writes about the demands placed on her by a socially conscious mother, and the adoration shown by a proud father. And Briana talks about Brody—the young activist leader who captured her heart, took it to the altar, and then crushed it.What develops is an engrossing record of a young and troubled life, one both beautiful and ugly, innocent and corrupt, lost and then found. And wrapped in its literary sinew is a cast of characters as diverse and engaging as the stars, and an impassioned love story sure to transcend time.What readers are saying: " Timeless... provocative. " " Characters so real you’d swear this was a true account. " " A brilliant read! " Alone Among People is D. M. Anthony’s first novel. He lives in California where he’s at work on his next book.This review is from: Alone Among People (Paperback)A Compelling and Heart Warming Story, September 25, 2012"Alone Among People is at once an engaging, moving story and a provocative statement about the thin line between thriving and sinking into an abyss as inescapable as quicksand. Its timeless and uplifting messages of hope conquering despair, healing borne of love and care, and peace at discovering one’s identity are an inspiration. The author’s empathy for the characters and their plight betrays knowledge of what he writes, and offers the reader a unique glimpse into a vulnerable and intimate place... his heart. I recommend this book to anyone who has traveled through the anguish of darkness and longed for the light; it may just guide your way."

"The family elements in the story - the real struggles with marriage, raising a family, making a living, and just trying to enjoy life - have broadened the book’s appeal to a wider audience, primarily women who are not into technology."DARK END OF SPECTRUM will make you think twice before turning on your cell phone or PDA!DARK END OF THE SPECTRUM is a frighteningly plausible and headline ripping tale of the real threats that loom in cyberspace and beyond with a Michael Crichton realism. Based on the author’s years of research into the hacker culture.DARK END OF THE SPECTRUM is a thriller that will connect with everyone with a cell phone, PDA or wireless device.When a group of digital terrorists known as ICER take over the US power grid and the cell phone network, they give the government an ultimatum - bomb the borders of Afghanistan and Pakistan with nuclear weapons to put an end to Al-Quada or they will start downing commercial airliners. When the government refuses, ICER destroys most of the downed aircraft in airports all over the country. When ICER sends a pulse that will kill millions on the East Coast, only security expert Dan Riker can stop them, but ICER has kidnapped Dan’s family.Will Dan save his family or will millions die?

Hector Grodstooth, an ancient gnome and Ambassador for the faery folk, reintroduces little people fun, adventure and wisdom to our world. The little people series shares fairy history to help you remember a magical Earth long forgotten.

NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “ A stunning novel about the transformative power of relationships ” (People) from the author of Conversations with Friends, “ a master of the literary page-turner ” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they ’ re both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. Normal People is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can ’ t. Praise for Normal People “ [A] novel that demands to be read compulsively, in one sitting. ” —The Washington Post “ Arguably the buzziest novel of the season, Sally Rooney ’ s elegant sophomore effort . . . is a worthy successor to Conversations with Friends. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance. ” —The Wall Street Journal “ [Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I ’ ve read. ” —The New Yorker

If you’re like most people, you can’t afford to charter a yacht to the Bahamas on a moment’s notice, nor can you take a week off work to attend a soul-cleansing spiritual retreat. So how is the busy, everyday, hard-working person supposed to find joy and passion in life? This is exactly the problem that Neil A. Panosian has spent most of his life trying to solve. A bartender and postal worker, the author felt uncomfortable with the rampant negativity in the world today and wanted to turn this discontent into something constructive—something the average person could use to increase their overall happiness, in just a few simple steps. So he started a blog dedicated to his pursuit of positivity, and quickly gained thousands of followers who were also looking for good ideas for improving their lives. Soon, he found that certain small actions were adding up to big rewards, and the rest is history. This fun-to-read book contains the best of the best—tools that can be used quickly and universally to increase joy, whether you’re a busy professional, a blue-collar worker, or a single parent doing the best you can with little money or time.
